Sierra Madre Scout Quota Easily Made

City Upholds Reputation In Drive for Boy Scout Funds

Many Names Appear in List of Donors Toward Boy Welfare

With a few scattered returns yet to come in it is now evident that Sierra Madre has generously met its quota for the boy scouts, as the total now practically secured will be approximately \$520. Cash had already been received to the amount of \$640.30 and the pledges made or promised will bring the grand total up to the figure named.

The committee in charge of the drive are much gratified with the result and deeply grateful to the faithful workers who gave so generously of both their money and their time to the cause.

Those who assisted the committee in the solicitation were: James N. Hawks, W. R. Morgan, J. H. Osgood, George Fowler, Mrs. W. H. Butts, Tom Schwartz, G. J. Gerhart, N. B. Hutton, Judge W. R. Lasater, Emil Sturmthal, Victor Hill, W. L. Hibbs, Merrill Jensen, Barcroft Ackley, J. T. Farrel and Miss Laura Cadmus.

The Sierra Madre Fire Department gave a generous cash contribution and, in addition, Chief Richards, assisted by several of the boys, turned in a fine lot of cash and pledges.

The names of individual donors follow: F. S. Ackley, C. H. Adams, H. Adelmeyer, F. C. Albrecht, C. K. Alley, L. M. Anderson, W. S. Andrews, Robert Annas, D. C. Ashmore, Mrs. S. G. Auer, Joseph Auerbach, E. E. Bacon, Mrs. E. E. Bacon, Mrs. B. W. Bailey, L. D. Ball, W. M. Barker, Dr. W. J. Barlow, H. F. Barton, J. Belohlavek, J. Belohlavek, Jr., J. J. Bergien, Mrs. T. L. Blanke, Mary Blakeslee, Mrs. Sally M. Boaz, Dr. A. H. Brady, Miss M. C. Brandt, Frank R. Braun, A. R. Bridgeland, Louis Brown, E. D. Burbank, L. L. Burns, Ella S. Bush, Catherine K. Butler, Laura Cadmus, J. P. Calhoun, J. E. Carpenter, F. B. Chamberlain, Mrs. Ida E. Clark, Laura M. Cline, Chas. W. Collins, A. J. Cook, R. C. Copenhaver, F. E. Cox, W. B. Cravath, C. A. Greese, E. A. Davey, Ethel R. Davis, Tony Delvecci, Louis Dietz, Alfred Domschke, Mrs. Ellis, Mrs. M. R. Englander, Joseph R. Evans, Dr. M. Agnes Everett, L. M. Farnam, J. T. Farrell, J. E. Fehd, Miss Mary E. Feeney, George Ferris, Vincent Fleming, R. L. Fitzwilliam, Leah P. Fletcher, A. R. Gerlach, Louis H. Gaillard, A. H. Gibbs, Elsie N. Gibson, Mrs. A. N. Glidden, Maurice Goldberg, Samuel L. Graham, H. (Continued on Page Ten)

Benefit for War Veterans at Club November 2nd

Prizes worth putting your best hand forward all during the evening, snappy cabaret entertainment with many original skits, and other unusual features will mark the card party at the Woman's Club house November 2nd, at 8 o'clock p. m.

The affair is in the nature of a benefit for War Veterans, and is in charge of the committee on cooperation with war veterans, of which Mrs. Philip Senour is chairman. A large attendance is eagerly urged. "Lest We Forget!" Tickets at 50c each may be purchased from the committee or at the club house. Bridge and 500 will be played.

Bethany Endeavor Plans Special Meeting Sunday

Bethany Christian Endeavor, under the direction of Merrill Jensen, missionary superintendent, and Doris Bayard, supper chairman, is planning a very interesting meeting for Sunday evening.

The young people are privileged in having Mr. Ford Canfield, from the China Inland Mission, speak at the meeting.

Light refreshments will be served at 5:30, to be followed by the regular Christian Endeavor meeting at 6:30. The young people of Sierra Madre are cordially invited to attend these meetings.

NEWS GIVES DATES TO ADVISE READERS OF COMING EVENTS

As a special news service of real benefit to the community in arranging for various meetings and programs. The Sierra Madre News is inaugurating this week two different calendars of events which it will pay you to preserve for ready reference.

Both of these calendars are placed in box style to attract your attention. One contains a series of events and dates that are of a fixed nature such as regular meeting times of organizations, days for collecting rubbish, etc. The other calendar gives varying dates for meetings and special entertainments in which the public will be interested.

Of course these calendars will be incomplete this week but we urge your cooperation in helping us make this service of real benefit in preventing duplication of dates which has occurred so often in this busy little city in the past.

Collection Of Rubbish Is Limited

City Street Dept. Announces Definite Days for Free Service

Matter Placed on Curb Other Times Will be Removed At Owner's Cost

In an effort to keep the streets of Sierra Madre in a more sightly and sanitary condition, the City Street Department, under the direction of Supt. Earl J. Lynde, is sending out postal card notices to all homes, causing attention to the proper time for putting out garbage, rubbish and tree trimmings for free collection by the city.

This department, in order to operate economically, must not be expected to haul away rubbish, Mr. Lynde states, except on certain specified days. He calls attention particularly to the practice of some people of placing tree trimmings and similar rubbish in the streets at any time with the expectation that it would be carted away.

The city has been doing this at greatly unnecessary expense in order to keep the streets clean, but now after due notice has been served upon residents, Mr. Lynde announces that no collection will be made on days other than those set aside for that purpose, and that owners setting out trash at any other time will be required to move same within 24 hours or the city will remove it and charge the expense to the owner.

Tree and shrubbery trimmings will be removed the first Wednesday of each month in that section of the city east of Baldwin, and on the last Wednesday of each month in that part of town west of Baldwin. The same collection dates apply to rubbish collection such as tin cans and other matter that cannot be burned, but all this matter should be kept separate from trimmings and similar rubbish. All such matter should be placed on the curb the day before collection.

Garbage will be collected as usual each Tuesday and Saturday, all over the city, and should be placed on the curb in tightly covered receptacles.

Canyon Plunge to Be Open Saturday and Sunday

The Canyon Pool, operated by Mr. and Mrs. James Heasley, has been doing a rushing business the past few hot days, and "Jim" says the pool will be open over the week end.

The Heasleys have used every effort to make the pool a popular resort for both young and old during the past season and have succeeded admirably.

The latest addition to the pool facilities is a fine standard diving board. Other improvements are contemplated for the coming season.

But the way we get it, a Quaker is undertaking to show a Scotchman how he can save money on his navy.—Dallas Star.

Missionary Society Meets Here Oct. 31

Sessions Begin Early and Will Continue Thruout The Day

Many Interesting Addresses Scheduled on Fine Program

The Los Angeles Association of the Congregational Women's Missionary Society will hold their annual meeting at the Sierra Madre Congregational Church next Thursday, October 31. Mrs. Harold I. Gardner, association secretary, will preside.

The session will open at 10:15 Thursday morning and continue throughout the day. Luncheon will be served at the church by the Women's Society, at 12:30 o'clock. This will be followed by a dramatic presentation, "The Festival of Thanksgiving" to be given by the ladies of the local church under the direction of Mrs. J. Milton Steinberger. Rudolph Hartman will have charge of the lighting.

Outstanding features of the program will be an address on "The New Day in Greece and the Balkans," by Rev. George L. Marsh, and a talk entitled "Why Do We Care?" by Mrs. Franklin Warner, vice president of the American Board of Missions.

Sierra Madre people are invited to be present. Reservations must be made for the luncheon thru Mrs. W. S. Hull, phone Blue 87. The complete program, in addition to what has previously been mentioned, follows:

10:30 — Hymn, "Soldiers of Christ, Arise," Mrs. Myrtle Hill, accompanist. Prayer, Rev. A. O. Pritchard. Advance in Missions, "Schools of Missions and Summer Schools," Mrs. Jas. H. Lash. "Good Literature," Mrs. J. A. Rhomburg; "Field Service," Mrs. Edw. W. Durant; "A Mission of Goodwill," Rev. Paul B. Waterhouse; "A Plan of Advance," Rev. Geo. F. Kennigott, D. D.; "Mexico," Mr. Fred W. Wilcox. Music, Ladies' Quartette. "Missionary Adventures in the Southwest."

Forest Fire Is Averted By Ranger

Thoughtless Boys Send Up Toy Balloon Carrying Fire Inside

Thoughtless play on the part of two or three boys in the neighborhood of Highland and Hermosa Avenues Wednesday afternoon, might easily have been the cause of a serious mountain brush fire, according to Fire Chief W. D. Richards.

These boys, who are known and must answer to Chief of Police G. G. McMillan, rigged up a toy tissue paper balloon four or five feet high and sent it up in the air by means of lighting a wad of excelsior which had been saturated with oil. The heat caused the balloon to rise and float over Mt. Wilson stables, past the new Porterfield residence being built on the hill, and finally to lodge in a scrub oak beyond.

Forest Patrolman Robert Newberry happened to be in the vicinity and his attention was called to the balloon by Reuben Weiss, who lives at the foot of the trail. Newberry rushed to the spot where the balloon had lodged and found it still burning. He brought it down to Sierra Madre and Chief Richards has it on exhibition as a warning against the repetition of such dangerous stunts, especially when the whole country is as dry as at the present time.

Widespread interest is reported in the annual Chrysanthemum Fete which will be held in Arcadia at the Santa Anita Club house during the afternoon and evening hours next Thursday, October 31, under the auspices of the Woman's Club. Organized several years ago, the festival has assumed pretentious proportions and now has become a matter of interest and pride, not only to Arcadia, but to surrounding communities.

Every Week Is a Bargain Week In Sierra Madre

Every week is Bargain Week in Sierra Madre, judging by the ten pages of this paper, which are chock full of most attractive advertisements by local merchants, demonstrating that it is a waste of time and effort to go away from home to do shopping that can be done equally well in this city.

Subscribers who have not already formed the habit of using this newspaper as a guide to their buying, need only scan the pages this week to prove to themselves that they are probably passing up some really worth while specials, such as the following few items chosen at random from the advertisements this week:

Perm. Wave and Shampoo...\$6.00
Hallowe'en Pumpkins, 2 cans, 25c
New Tires, 29x4.40...\$6.00
Lamb Stew, lb...18c
Electric Washer...\$119.50
Ladies Fine Silk Hosiery...\$1.00
Sugar, 18 lbs...\$1.00
Blue Tip Matches, 3 boxes...10c
Tailored Suit, reg. \$65 val. \$47.50
Lamb Chops, lb...45c
Ice Cream, quart...33c
DeMonte Peas, No. 2 can...17c
Lux toilet Soap, 3 for...25c
Used Gas Range, good cond. \$5.00
50c Hinds Honey and A. Cr. 39c
Etc., etc., etc. Read 'em and rush!

Kiwanians Talk Club Objectives

Action Will Follow Election of New Directors at Next Meeting

Speaker Urges Foothill Cities To Solicit the Tourist Trade

The subject of suitable objectives or purposes was the main subject taken up at the Kiwanis Club luncheon Tuesday. Several projects were mentioned and as soon as election of the new board of directors, followed by election of officers, takes place this matter will be given immediate attention, according to President Ray Grant.

Ballots containing the names of those eligible for the board of directors were distributed at the last meeting and must be turned in by next Tuesday noon to be counted. Ten directors will be chosen.

A number of visitors from Alhambra and Pasadena were present Tuesday, among them being "Jack" Eberle, district lieutenant governor, who urged a 100 percent attendance at the district meeting Thursday evening of this week. Floyd James, president of the Pasadena Club, announced that his city was bidding for the state convention in 1931. Rodney Jacobsen, also of Pasadena, told of the big plans for this year's state convention at Long Beach to be held Nov. 7, 8 and 9. The registration fee has been greatly reduced, he stated, and provisions have been made to entertain Kiwanians and their ladies royally.

Dr. Russell Simpson, immediate past president of the Pasadena Club, told interestingly of his recent 4500-mile auto tour of the Pacific and Rocky Mountain states. He said that he was impressed with the fact that this entire foothill country is woefully lax in their efforts to attract auto tourists and to extend to them the proper sort of hospitality after they get here.

He said that he thought all these cities could bring in considerable money if they would maintain first class auto camps and tourist cabins, and properly advertise them on the highway.

Appoint Assitant To Temporarily Aid City Engineer Here

Paul V. Lane of Highland Park has been appointed temporary assistant to Earl J. Lynde who has the varied titles and duties of City Engineer, Superintendent of Streets and Water, Building Inspector, etc., etc.

Mr. Lynde finds himself deluged with work for the time being, owing to the fact that he himself was only recently appointed to this position and the fact that he is making a number of innovations connected with his work here.

City to Add Police for Hallowe'en

Council Takes Precautions to Curb Damage to Local Property

New Committee System Runs Business Thru in Record Time

Demonstrating the efficiency of the new committee system now in use, the City Council transacted the usual business Wednesday night at the regular meeting in the record time of just twenty minutes. City Clerk L. Dietz was prevented from attending the meeting by one of his attacks of indigestion which have caused him so much trouble recently, and was unable to be at the office Thursday, all day.

Upon the suggestion of Councilman Greene a motion was passed empowering the police committee to put on special deputies to serve Hallowe'en night to protect both private and public property from destruction by pranksters. Arrests are to be made if necessary, and parents are urged to co-operate with the city authorities to curb such vandalism as breaking of light globes, pulling down signs, tearing off gates, etc., which cost taxpayers real money.

Mayor Al Myers, Councilman Stewart and City Engineer Earl J. Lynde were requested to attend a meeting at El Monte last night (Thursday) in the matter of sewage disposal in San Gabriel Valley. The meeting was called by the city council of El Monte.

The matter of new tires for police department cars was referred to the police committee with power to act, and the request of the city nurse, Mrs. Barker, for painting of the car used in the health department, was referred to the finance committee with power to act.

A report of the work done by the health department during September was submitted by Dr. J. M. Furstman, district health officer.

Short Illness Fatal to Mrs. S.M. Karicofe

Husband Preceded Her in Death by Three Short Months

Friends in this city were saddened Sunday morning when it became known that Mrs. Mary Lee Karicofe, of 85 East Alegria Avenue, had suddenly passed into the Other Room, after a short illness of two weeks. While her friends knew of her illness, they were shocked to learn of her demise, which came wholly unexpectedly.

It was just three months ago that death claimed her husband, S. M. Karicofe, and while it is said, officially, that death was caused by illness, close friends believe the widow passed away from a heart broken by grief.

Mr. and Mrs. Karicofe occupied a prominent place in the social life of Sierra Madre, comprising here fourteen years ago, with their son, Robert, now aged 18. Here two daughters, Kathryn, 15, and Margaret, 13, were born, and a happy home life established.

The years brought increasing happiness, until the day three months ago, when the loving and beloved husband and father was taken to the arms of the Master, to be so closely followed by the devoted wife and mother. The sympathy of the entire community goes out to the bereaved children. Also surviving Mrs. Karicofe are three sisters, Miss Lena Lee of Los Angeles, Mrs. Ben Steele of Hollywood, and Mrs. Robert Johnson of Eagle Rock, and four brothers, William, Walter, Frank and James Lee, all of Los Angeles.

Funeral services were held Monday afternoon from the residence, Rev. J. S. Norvell of Pasadena officiating. Arrangements were in charge of Ray A. Grant, and interment was made in Sierra Madre cemetery.

A poet says he gets up and writes verses when he finds he can't sleep. Insomnia is a terrible thing.—The Passing Show.

NEWS WANTADS PAY FINE RETURNS TO OUR ADVERTISERS

"Please continue my want ad until I order it discontinued," said a lady who is advertising for work by the hour. "I am having wonderful results and I have as much work as I can possibly do. But I want the ad to run right along, anyway."

That is the usual story related by users of the News wantads. Line-for-line, they are the finest business getters we know anything about. If you want anything done, have anything to sell, want to buy or exchange—try 'em—you'll be surprised, and delighted.

You will find the "wantads" able not only to solve your "wants," but very interesting reading, as well. In fact many of our readers have remarked that they found "Wantads" as full of interest as any other feature of this newspaper.

Fruit Tree Control Up To Council

State Horticulture Department States It Has No Jurisdiction

Work of Planning Commission Is Commended by Directors

The regular meeting of the board of directors of the local Chamber of Commerce used as its principal matter of discussion the destruction of all non-bearing fruit trees which have been subject to acrimonious remarks for some months past.

The directors all were agreed that something should be done, but after having been advised by representatives of the state horticultural department that no legal relief is available, within their knowledge, it was thought best to pass the matter on to the city council, and W. R. Humphries was appointed a committee of one to confer with members of the board of trustees to see if it is possible for the authorities to draft an ordinance covering the so-called nuisance.

A letter from the Madera Co. Chamber of Commerce called attention to the fact that water rights in Southern California are not taxable under the constitution. An amendment to remedy this defect will be presented to the next legislature and subsequently, in all probability, to a vote of the people. Water rights in California are estimated to be worth millions of dollars, the usual estimate basing the value per inch at \$1,000. The public usually suffers when such rights are taken from private ownership for public use, when the value is boosted up to the highest pitch.

If such rights were made taxable, the owner would be permitted to assess his own value for taxation purposes, and would not be able to place a subsequent fictitious value upon the right in case of exercise of the right of eminent domain by city, county or state.

Miss Elizabeth Steinberger reported for the education committee regarding the action recently taken by the school board, announcement of which was recently published in the News. Further announcement is expected in the near future.

Messrs. Burbank and Humphries called attention to the splendid work being done in the city by the planning commission, particularly in regard to tree planting. Thousands of trees have been planted on city streets during the past several months, most of them now being in a thrifty condition. It was stated that the work is not so apparent now as it will be in the course of the next five years, when the trees have reached average size.

A desire was expressed by several of the directors for a public meeting of the city council, the planning commission and the chamber of commerce, when the public could be made better acquainted with the work being done so unselfishly by the commission, with the result of better understanding and a better measure of cooperation.

Hold Annual Party at The School House

Kiddies and Old Folks Will Enjoy Usual Hallowe'en Jollification

Children Will Stage a Gala Parade Through Business Section

Reminiscent of an old-fashioned Hallowe'en Carnival and chicken pie dinner with all the trimmings, together with a snappy program, will characterize the P.T.A. dinner October 31st, at the school, at 6 p. m.

Concessions consisting of fishing pool, fortune-telling booth, boots featuring games of accuracy and skill, fun house, cooked foods and salads, drinks, candy, white elephants and other surprises, will be grouped about the garden circle in front of the school.

The big feature of the meeting will be a program of psychic mirth and mystery by Dr. J. Jasen, noted psychologist and lecturer-entertainer from Pasadena, whom the P.T.A. president, Mrs. Archie Butts, has been fortunate enough to obtain for this occasion. Dr. Jasen is in great demand by colleges and clubs all over the state, and has appeared at one college four different times.

An interesting moving picture show will be given in the kindergarten room. A program of musical numbers will be presented at 7:45. Anyone who wishes may come in costume.

The children will gather at the school at 5 o'clock Thursday, October 31, for the parade before the dinner and carnival. The line of march will be down Highland to Baldwin, down Baldwin to Central, west on Central to Auburn and back to school.

There will be continuous service from 5:45 to 7:45 at the school cafeteria.

The Parent-Teacher organization takes this annual occasion to care for the children's Hallowe'en activities, and to reimburse itself financially, along with the membership drive for the entire year. The P.T.A. needs funds to carry on and desires success only to the extent to which it can best assist the school.

The cooperation not only of the P.T.A. but of the community is desired to make this Hallowe'en party a success for the children.

Adult tickets may be procured for 50c each, and children's tickets, 25c. They may be purchased at Hartman's drug store, Stoker's meat market (Central Ave. Safeway) and at the school. The dinner will be over early so those desiring to go to parties will be able to do so.

The committee is composed of Mrs. Butts, president of the association, the executive board and the room mothers.

Roberts Camp Will Start Sat. Dances Beginning Oct. 26

Roberts Camp will assume some of its old-time splendor next Saturday evening, October 26, with the arrangement of a big Hallowe'en program of dancing, games and specialty dances to celebrate the return of O. R. Roberts to active management of the camp after having turned it over to other hands for about two years.

There will be dancing every Saturday night thruout the winter, Mr. Roberts announces, and reservations for cabins should be made not later than Friday to insure accommodations. Meals will be served family style. This camp may be reached either by hiking the four and three-quarter miles or burros may be obtained at the foot of Sturtevant Trail.

Arcadia Lots Will Be Sold at Auction Saturday, Nov. 2nd

Miss Alma Ryan, who lives in San Francisco, has given instructions to sell to the highest bidder Saturday, November 2, her two business lots in Arcadia with frontage of approximately 120 feet on Baldwin Avenue.

Complete details are given elsewhere in this issue by A. H. Weil, auctioneer, of Los Angeles, who will have charge of the sale.

Atwater Kent Local Dealers to Hold Open House Here

Open house to the nation for a whole week in the stores of all Atwater Kent dealers, is the program announced personally by A. Atwater Kent, head of the mammoth radio manufacturing plant bearing his name.

The nation showing will be held from October 26 to November 2, and will be known as "Cabinet Week." The latest Atwater Kent Screen-Grid models in a wide variety of cabinets are to be exhibited during this special salon display at the Sierra Madre Hardware Co., local dealers.

Arrangements are said to be practically completed for elaborate open-house displays thruout Southern California. Dealers everywhere are reported to have enthusiastically adopted the idea and thousands of householders are expected to visit Atwater Kent stores during the week.

Atwater Kent offers the public the privilege of selecting radio cabinets just as in the selection of other fine furniture. The finest designs have been contrived by America's largest furniture factories after years of studying the needs and tastes of American homes.

Each type is authentic, each cabinet is built to bring out in truest tone the surging power of Atwater Kent Screen-Grid radio. Each is an achievement of beauty and only Atwater Kent offers this freedom of choice in an unprecedented array of exquisite woods to suit every taste.

Every Atwater Kent is a screen-grid, giving results that cannot be obtained with the old-style tubes. There is ten times as much amplification per tube and 100 times the power, vastly improving the reception at every point.

Woman's Club Notes

Mrs. O. B. Manchester of South Pasadena was welcomed again this year as literary critic for the Woman's Club on Wednesday when she presented her first book talk at the club house, in the series to be given here. She was introduced by Mrs. John H. Osgood, chairman of the Book Review division sponsoring the series.

Mrs. Manchester, a discerning critic, woman of poise, culture, discrimination and enervating humor, presented her instructive talk with a charm of manner which at once endeared her to her audience. She spoke briefly on general literature and made mention of magazines of particular value, poetry of the day, fiction and drama. What constitutes real literature was given some attention. That so called present-day literature is losing its grip and old writers are again coming to the front, she pointed out.

Mrs. Manchester's talk yesterday covered Walter Lippmann's "Preface to Morals," an outstanding book of the day; Will Durant's "Mansions of Philosophy," with its twenty-seven interesting themes; Ludwig Lewishon's "Mid-Channel," with much to give in a chapter on Hebrewism; "Your Family Tree," by Jordan and Kimball, where ancestors may be traced to one of 30 cousins; Mary Bradley's travel story, "Trailing the Tiger," the Pulitzer prize award, "Scarlet Sister Mary," by Julia Peterkin, and others.

Opening the program, Mrs. Corita Lieben sang "Faltering Dusk" and "Last Hour" by Walter Cramer in her usual charming manner, ably accompanied at the piano by Gustav Rihard. She was recalled and graciously responded to an encore, singing Nevin's "Mighty Lak a Rose." At the close of the program Mrs. Lieben sang with splendid German diction, Eisler's "Within Thine Eyes," and "The Sleigh," by Kountz. She delighted the audience with an encore by Hueter entitled "Dreamland."

Tea and cakes were served by Mrs. Emil Smith, assisted by Mrs. W. E. Pratt and Mrs. Joseph L. Asbury. The table was most attractive with flowers and decorations in the Hallowe'en motif. Preceding the program announcements of club events were

made by Mrs. John H. Robertson, president, as follows: Presentation of Carmen, at a lecture recital, will be given by the Opera Reading Club on November 5, at 10 a. m. at the Coronian Theatre, Monrovia. Mrs. H. Randoipn Wood is section chairman.

Contributions of an article are solicited for the rummage sale to be held in Pasadena, Nov. 15. Proceeds of this sale go to our local school for corrective work among children. Miss Elizabeth Steinerberger and Mrs. R. M. Barker point out a strong need for this work.

Arcadia Flower Show, sponsored by the Garden Section of the Arcadia Woman's Club, Oct. 31 from 12 m. to 10 p. m. Admission free. Dinner served from 5:30 to 7 p. m., 50 cents.

Dances, at St. Rita's Auditorium will be conducted on weeks when there are no club dances, by cooperation of Wm. Barry, was announced by Mrs. Robertson.

Juniors Sponsor Hallowe'en Dance At the Clubhouse

A Hallowe'en masquerade dance, sponsored by the Juniors, will be given at the Woman's Club house Saturday night at 8:30. Appropriate decorations will be used on this occasion, Hallowe'en favors will be distributed and prizes will be awarded for best dances and costumes.

Juniors in charge of arrangements are Miss Mary Davis, acting president, Miss Ruth Klunk and Miss Bertha Lee Fitzgerald, with Mrs. John H. Robertson, president of the Woman's Club, assisting.

Mrs. F. L. C. Roess is assisting with refreshments, and music for dancing will be furnished by the Moonlight Melody Boys. The public is invited.

Headlight Violators Warned to Comply With State Laws

Are you driving at night with improperly adjusted or blinding headlights?

Are your lights too powerful or too weak? Has your car only one lighting eye working?

If any of these facts are true, you had better attend to it immediately. Otherwise you are taking a big chance of being arrested for violation of the California Vehicle Act, advises the Automobile Club of Southern California.

Citations are now being issued to many motorists who have not heeded the many warnings broadcast through the California Committee on Public Safety during the first 15 days of this month. Emphasis is being laid upon the headlight provisions of the law during this month in the year around, state-wide campaign of the committee conducted for the purpose of materially reducing calls for strict enforcement during the latter half of October and thereafter.

State traffic officers, under orders of their superintendent, Eugene Biscailuz, and police in 65 California cities cooperating in the drive are making the heavy accident toll in the state, and the plan or campaign rests for illegal headlights on cars.

PASS THE GLUE

Troy's Coach

Here is Coach Howard H. Jones, the "head man of Troy," who is now in his fifth year of coaching at the University of Southern California. Coach Jones' system of football is nationally famous for its combination of speed, deception and power, and in his few short years at S. C. he has made the Trojans a nationally feared team. Coach Jones enlarged his scope of coaching activity this season when he went to bat for the fans and wrote a book with Alfred F. Wesson called "Football for the Fan" that has attained nationwide popularity.

What others now attempt,
ATWATER KENT
has done!

Atwater Kent Is Accomplishing Where Others Are Still Experimenting

Seven years of leadership. Year after year out-selling, out-perfecting all competitors. And now rising to new heights of accomplishment.

Two simple words express the foundation of Atwater Kent's greatest sales and popularity—Screen Grid.

The significance of these words has increased Atwater Kent sales to the enormous proportion of 72%.

It is these two words the nation looks upon as the greatest thing in radio.

And by these two words the product of an entire industry is coming to be judged.

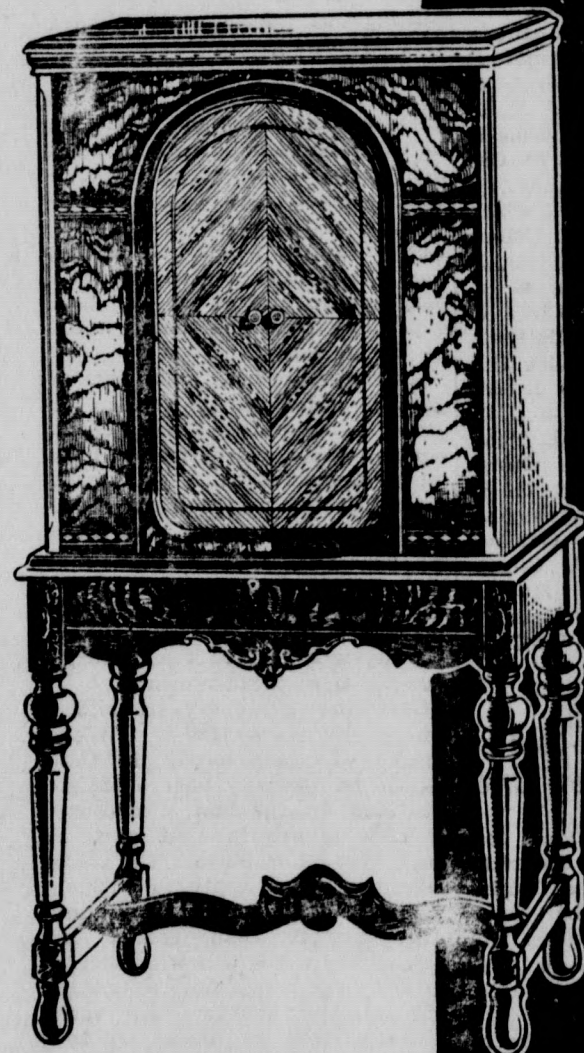

Atwater Kent, by controlling and maintaining the perfected Screen Grid circuit, leaves only the doorway of imitation and substitution open for others.

Therefore, when you buy an Atwater Kent Screen Grid radio here or any place else you are assured of getting the industry's greatest success. You are buying radio's new standard, that which the whole industry is striving to equal.

Father Trades in His Old Car;

... Why not trade in your old range?

FATHER KNOWS that it is economy to trade in his service-worn old car on a more efficient, more economical modern automobile.

But what of your kitchen? Is your range an antiquated model, slow, inefficient, hard to cook with, hard to keep clean? Are you sure that you are not paying for the service of a modern electric range and still not enjoying its advantages?

Twenty thousand California women have modernized their kitchens with electric ranges. They will tell you that the saving in time, in effort, in current, and the improvement in foods is paying for their modern ranges many times over.

And they are proud of their kitchens. Are you proud of yours? Do you like to have friends drop in? You will, when you have a modern electric range to show them. . . you will when you can take them into a kitchen as bright, and clean, and refreshing as your sun parlor. And you can have just such a kitchen when you cook electrically, the modern, saving way.

**29 Per Cent Faster;
15 Per Cent More Economical**

The new electric ranges are marvels. They are equipped with the new Hi-Speed units that cook 29 per cent faster; use 15 per cent less current. They bake, roast, boil, stew dishes that have required hours of watching, automatically, without a moment's thought or care on your part. And, most marvelous of all, no down payment is needed to place one of these splendid new ranges in your kitchen. . . simply your old range, taken in at a liberal appraisal price. That price may surprise you. Mail the coupon and see.

SOUTHERN CALIFORNIA EDISON COMPANY,
LOS ANGELES, CALIFORNIA.

WHAT WOULD YOU allow me on my old range as part payment on a new electric range? My

present range is a _____, about _____ years old.

Name _____

Street Address _____ City _____

Big Building Increase In Sierra Madre

Sierra Madre Listed Among Progressive Cities of Southland

September realty transfers in various cities thruout Los Angeles county showed a slight improvement over the month preceding, according to the California Title Insurance Company. Five communities gave evidence of exceptional activity, using the first eight months of the year as a basis of comparison.

Eighteen cities enjoyed a fairly active market while the market was relatively slow in the remaining twenty-one cities. The local real estate market was in the fairly active class last month according to the Title Co's report. Twenty-three deeds, seven mortgages and nine trust deeds were filed last month affecting local real estate, compared with twenty-one deeds, six mortgages and nine trust deeds for August. Vernon, Signal Hill, San Gabriel, Hermosa Beach and Beverly Hills were the cities showing greatest activity in realty transfers. The metropolitan cities of Los Angeles, Long Beach and Glendale were not parties to the general slight increase, each community showing a decline in volume of transfers. Pasadena real estate, however, appeared more active last month than in August.

Local building permits took a big increase last month, new construction in Sierra Madre totaling \$18,410, compared with \$5,794 for the month previous and \$8,700 for September, 1928.

During the month of September, 20 new subdivisions aggregating 1460 lots were opened to the public in Los Angeles county. Since the first of the year 264 new tracts embracing 17,621 parcels of land have been placed on the market in this county. Seven of the new subdivisions that were filed in September were in Los Angeles City proper.

Ninety-seven new subdivisions, embracing 6246 lots, have been opened in Los Angeles City alone during the first nine months of the year. There were no new subdivisions filed last month on Sierra Madre property. Since the first of the year, however, one new tract has been opened to the real estate investor in Sierra Madre.

Beginner' Dancing Class Meets Nov. 9

The beginners' ballroom dancing class will meet Saturday, November 9th at 8 o'clock, at the Woman's Club house. The night has been changed from Friday to Saturday to avoid conflicting with the Girl Reserve and Boy Scout meetings. This class will meet on the second and fourth Saturdays each month and will be in charge of Miss Marquita Klass. The series of ten lessons will cost \$6.50, payable in advance. Any further information may be obtained from Mrs. C. E. Somner, Red 231, or Mrs. W. S. Hull, Blue 87.

Mrs. Roe and her daughter, Olga, of Santa Anita Court have left Sierra Madre to take up their residence at N. 27th Street Los Angeles where Mrs. Roe will be joined by two sons.

Deputy Fish Commissioner Chapelle inspected the series of pools at 80 East Laurel Monday and gave them his official O.K. The pools will be stocked, with goggle-eyed perch.

Chevrolets Proves Great Success in The Past Season

The phenomenal success registered by the Chevrolet Six offers ample proof of the power, performance and smart appearance for which the car was praised when it was first placed on the market at the first of the year. Critics are uniform in the opinion that the introduction was one of the greatest forward steps in the automotive industry, symbolizing as it does the introduction of a six cylinder car into the low-priced field.

Various factors of which the Chevrolet Six can rightfully boast, such as ease of handling and smooth riding, as well as economy of operation, combined in gaining the public approval for the product. Public approbation in the secret of the success of any automobile and the public has responded beautifully to the Chevrolet Six.

Early in August the one millionth car left the assembly lines at the factory. At this date over 1,300,000 cars have been delivered to their owners. The tremendous popularity of the Six indicates that it is not at all impossible that 1,400,000 cars will be sold this year.

Helpful Organization
Lend-a-hand clubs are organizations for young people established in 1871 for religious, philanthropic and social purposes. The name is taken from Edward Everett Hale's story "Ten Times Ten Is Ten." The clubs have a common badge, a Maltese cross with the inscription "In His Name," but each arranges its own constitution.

One Exception
"We all profess to love our fellowman," said Hi Ho, the sage of Chinatown, "but the affection never extends to the individuals who have offended it."—Washington Star.

Supreme Court Gives Ruling on The Right-of-Way

Motorists who are finicky about the right of way at intersections and are inclined to "bawl out" the other driver are invited to read the latest decision of the Supreme Court in Washington on a case involving this point.

According to the report reaching the Automobile Club of Southern California, the right of preference at the crossing does not arise except when drivers are approaching at the same time and approximately the same speed. Then the one on the right has the right of way. It is no excuse to say that trees obscure the way, for this should only increase the vigilance. When a driver approaches a street intersection, and sees another approaching from the right, and

near enough so that there is reasonable danger of collision if both proceed, then it is his duty to yield the right of way.

Wars of the tenth century have one advantage over wars of the twentieth century—they are all paid for.—New York Times.

We hear nothing more about Mr. Hoover's plan to reform Southern patronage. It must have been a flash in the political pie pan.—Virginian.

ANNOUNCING

THAT we will henceforth handle the entire line of tires manufactured by The Miller Rubber Company of Akron, Ohio. We decided on

MILLER TIRES

after a careful consideration of the best interests of our customers. Miller quality in tires has been long established through the use of only the highest grade of materials and the thorough testing of all tires before being offered to the public.

With the Miller Deluxe, the Miller-Geared-to-the-Road, and the Medalist, we can equip your car at the price you want to pay.

The New Miller Geared-to-the-Road

Guaranteed to outwear any other tire of equal price when run under the same conditions. In a three million mile road test this remarkable tire outlasted the best standard priced tires of thirteen other well known makes.

The Medalist

The best-looking and longest-wearing low-priced tire on the market. The exceptional tire for safety, traction, long tread wear, and mileage at rock bottom prices.

PRICES

OBSERVING ARMISTICE DAY

WHILE it is true that our calendar sometimes seems overcrowded with holidays, it seems to us that there are others that should be dropped in favor of Armistice Day, if we must dispense with any.

November 11 will, we sincerely hope and believe, mark more than the close of the most horrible period of hate and bloodshed that the world has ever known. It is our opinion that the signing of that armistice ushered in a new day—a day when intelligent and enlightened peoples will settle their disputes other than by armed force.

The great host of the flower of America's manhood, united now under the banner of the American Legion, has certainly gone on record as favoring the abolition of warfare, which, we blush to confess, appears to arise nearly always from capitalist desire to further certain big industries that profit from the manufacture of the materials of war!

The signing of the armistice saved from further action some four million of our young men already engaged in the bloody conflict, and perhaps prevented another two million from being dragged into the vortex of Mars. Isn't that reason enough to set aside at least one day in the year in order to properly rejoice and impress upon the minds of the younger generation the fact that America wants no more war.

We might call this day the commemoration of the "Declaration of World-wide Peace," as from that day started the growth of sentiment that would abolish war from the face of the globe. Great impetus was given to this movement by our own President Woodrow Wilson, the fruits of whose efforts we are witnessing at the present time as the great nations discuss their plans for reduction and limitation of armament.

So let us get behind the American Legion in their efforts to have November Eleven set aside officially as a state and national holiday to be observed by cessation of business and school. Let this day stand on a par with the memorable Fourth of July, and not make it the occasion for big special merchandising sales as is the case with many of the Los Angeles stores. The smaller towns around are reluctant to close up their places of business and let their customers be drawn downtown, but if the county council of the American Legion were sent sufficient resolutions by various organizations over the county, they would have great power in bringing about a general observance of this great day in the history of world peace.

Let us not forget the Dawn of Peace!

WHEN SERVICE IS INTERRUPTED

THE celebration this week of Light's Golden Jubilee emphasizes to what a great extent we are dependent upon electricity for our comfort and very existence.

Recently a large American city was without electric current for a short time. The chaos resulting was graphically described by the Boston Herald, which said: "Street lights failed to work, with consequent traffic snarls; radios were struck dumb; electrical machinery in dozens of great factories stopped; elevators stuck between floors; pipe organs in movie theatres died with dismal groans and the pictures 'froze' on the screen; soda fountain milk shakers refused to shake, and the supply of carbonated water soon gave out; afternoon newspapers were delayed by idle presses....."

Such a list could be continued for many pages. Electricity has become so integral a part of our lives and so necessary to all the machinery of our civilization that when

service is interrupted for the briefest period of time, business actually comes to a standstill. Behind almost every luxury and necessity we use and almost every task and occupation, is electric power. It is no wonder that electricity has often been considered the greatest agency of progress we have.

Fortunately the major interruption to electric service on the Edison company system amounted to only nine minutes during all of 1928.

HALLOWE'EN AND SPOOKS

WISE is the parent who knows where children are spending Hallowe'en Eve. And because of indifference, inability to keep a close check, or some other equally good reason, considerable property damage is going to be done some night soon—all to no good purpose.

The horrors of Hallowe'en could be entirely eliminated from our little city if each parent would assume the responsibility of looking after the whereabouts of his offspring on that particular night.

Just why youngsters persist in wanton destruction of property on that night cannot be explained. It is just a matter of time and education, such as has been conducted in connection with our "safe and sane" Fourth of July celebrations. There is nothing funny about smashing street lights, pulling up boulevard stop signs, tearing off gates or any similar depredations that cost the parents and taxpayers hard-earned money.

The city council has decided to increase police protection Hallowe'en this year and offenders will be arrested if necessary in order to properly protect property. The city authorities state that they sincerely hope such drastic steps may prove unnecessary, but that they are going to see to it that the taxpayers are not made to pay for some wild pranks of youth that are handed down by outgrown and senseless tradition.

A USEFUL ORGANIZATION

THERE is no longer any need for the old complaint that parents and teachers did not understand each other and often worked at cross purposes. Such a situation cannot exist where there is a live Parent-Teacher Association functioning.

This organization needs and deserves the support, however, of every parent who has children in school. The Parent-Teacher Association is a modern social medium for bringing parents and teachers together in a frank, informal, friendly conference for a mutual understanding of the home as well as of the school insofar as they are related to the child.

The P.T.A. officers state, however, that they seek the goodwill and cooperation of all the other organizations and of every individual in the community, in order that the above mentioned objectives may be obtained. The present membership drive, the various meetings being arranged, parties planned, and other activities on schedule by the earnest leaders in the Sierra Madre Parent Teacher Association merit your support. Let's all rally to the aid of such a worthwhile institution.

FOOTBALL, PAST AND PRESENT

NOT a few old college grads are yearning for the return of the days when college teams went forth to win honor and undying fame—for themselves and their alma maters. Nowadays, the go forth, seemingly, to prove that Jones, Warner's, Roper's, Bagshaw's, etc., etc., etc., system is better than any other system in the cock-eyed universe. Of course the college (of which the winning team is a part) reaps a small portion of the adulation of the multitude. But as a rule a successful team is wholly successful in but one item, i.e., securing a raise in salary for the coach in keeping with his standing as a successful coach.

But it's a grand game, at that, and we are sorry that a rush of business—and other things—is keeping us away from Palo Alto over the week end.

Just to reassure the American lecturer who is in this country conducting a campaign against the lipstick, I can tell him that young men have been setting their faces against it for years.—The Passing Show (London).

The intimation that if Mussolini ever moved to this country he would be a Republican was entirely removed last week when the news came that he resigned seven jobs at once.—Elizabethtown (Ky.) News.

There's no sound more doleful than the autumnal winds sighing through the trees at midnight, unless it is that of the postman sliding the mail under the door on the first of the month.

Major Projects in Valley to Be Urged By the Association

"Highway development is making unprecedented progress throughout the entire San Gabriel Valley," according to statements made by Judge Raymond Thompson, president of the Pasadena Chamber of Commerce, at a conference held with the directors of the San Gabriel Valley Development Association recently.

The meeting, attended by city officials and civic leaders of Pasadena and valley cities had for its purpose the stimulation of highway development in the entire San Gabriel valley, with particular reference to the extension of Colorado street and the improvement of Foothill Boulevard. Committeemen and Pasadena officials agreed that these projects should be under construction in the early part of 1930.

A high light of the conference was the presentation of an expansion program of activity to be undertaken by the Development Association during the coming year. "With the forthcoming release of the Master Plan of the San Gabriel Valley," said Chas. Diggs, Planning Commission Director, "it is up to the people of the valley to be properly organized to execute the entire program in an orderly manner."

George F. Blakeslee of Sierra Madre was in attendance at the meeting.

Opening Popular Concert Scheduled For November 3

The second opera to be presented by the San Gabriel Valley Opera Reading Club is announced for Saturday, November 9, 10:00 a. m., in the Colonial Theatre, Monrovia. "Carmen," Bizet's famous opera will be the vehicle for Lillia Snelling Farquhar, mezzo, taking the role of Carmen; Jessie McDonald Patterson, soprano, the role of Micaela; Ivan Edwards, a favorite tenor, the role of Don Jose, and Melville Avery, baritone, the role of Escamillo, a part he has taken with great success.

The opera is open to all men and women who enjoy the best in music, and the civic and social

Opera Reading Club is Proving Very Popular

The Philharmonic Orchestra of Los Angeles, Dr. Artur Rodzinski, conductor, will give the opening popular concert of the season at the Philharmonic Auditorium, Sunday afternoon, Nov. 3. Chief Yowlache, Indian basso cantante, will be the soloist at this concert. Chief Yowlache not only possesses a gorgeous voice, resonant and deep with a long range of equal beauty, but his interpretations are those of an artist in the fullest sense of the word. He will sing two songs by Homer Grunn, "Navajo Love Song," and "Chant of the Four Hills;" Song of Heyoka from "Weh-Waste" by S. Earle Blakeslee; "Invocation to Sun God," Carlos Tryor, and "Corn Grinding Song," by Anita M. Baldwin.

Dr. Rodzinski will open his program with Overture, "William Tell" by Rossini; then the Mozart Symphony in G minor (Kochel 550), and after the soloist numbers, "L'Apprenti Sorcier" by Dukas, program closing with the Bach, Toccata and Fugue in D Minor.

Chief Yowlache has appeared twice in Sierra Madre and local concert goers will welcome the announcement of the first appearance as soloist with the orchestra of this splendid singer.

Why not hold the coming disarmament conference in Chicago?—Buffalo Courier.

The most obvious links between town and country are golf courses.—Arkansas Gazette.

Canyon Park Notes

Charles E. Mann was a canyon visitor Wednesday.

Mr. and Mrs. W. B. Corum are enjoying a ten-day motor trip to the northern part of the state.

Mrs. James Irvine and son Stanton of Wilmington, have rented Seldom Inn cottage on Woodland Drive for a month.

C. E. Williams of Los Angeles has purchased the six lots and cottages on Brookside Lane formerly owned by H. A. Stouffer.

A crew of engineers from the Gierlich office in Monrovia are now engaged on road surveys for the proposed canyon improvement.

News has been received of the arrival of Miss Minerva Boatright at Albuquerque, New Mexico, where she was called on account of the illness of her sister-in-law.

Mr. and Mrs. E. R. Lincoln and daughter June of Los Angeles, were guests of Mrs. Lincoln's parents, Mr. and Mrs. A. N. Iffrig, Sunday, at the Canyon Grocery store.

Mrs. Vida Cornelius, sister of Mrs. D. A. Hauk, is a guest at the Hauk home on Brookside Lane. Mrs. Cornelius has just returned from a seven month's visit to her home town, Rochester, Indiana.

News has been received from Long Beach of the death of Mrs. A. R. Haywood. Mrs. Haywood, a canyon resident for more than a year, will be remembered as having occupied "Bizzie B Inn" on Brookside Lane.

Miss Helen B. Courtright, supervisor of high school and junior college libraries with headquarters at the board of education in Long Beach, and Mrs. George J. Waldvogel, Sr., also of Long Beach, were guests of Mrs. Ella A. Cadmus and Miss Laura E. Cadmus on Saturday and Sunday.

Mr. and Mrs. D. A. Hauk entertained at bridge Tuesday night at their home on Brookside Lane. Refreshments were served to the guests among whom were Mr. and Mrs. A. L. Phelps, Mr. and Mrs. John McQuestion, Mrs. Frances H. Burton, Mrs. Weaver and Mrs. Vida Cornelius. Mr. Phelps was high scorer.

An enjoyable trip was made last Thursday over the Sturtevant Trail by Mrs. W. B. Corum, Mrs. James C. Heasley and Miss Laura E. Cadmus, to Roberts Camp, where they were luncheon guests of Mr. and Mrs. O. L. Roberts. Mrs. Heasley and Miss Cadmus were guests for the day of Mrs. Corum who furnished horses for the trip.

Rev. and Mrs. Robert C. Lewis of Hawthorne, where Rev. Lewis is pastor of the Community Church, entertained on Thursday with a picnic lunch at the home of their daughter, Mrs. James Vieira. The guests were Rev. Wm. Hardy, pastor of the Berean church in Los Angeles, Mrs. Hardy and Dr. Maile, Congregational minister of Los Angeles, who has rented the Lewis cottage on Woodland Drive for a month. Children of the Plaza Community Center Children's Home were given free swims at the plunge on Tuesday afternoon by courtesy of the Canyon Improvement Association, in cooperation with Mr. and Mrs. James C. Heasley. The

Hartman's One-Cent Sale, November 7, 8 and 9.

children were accompanied by Miss Melissa Clark, matron. Following water frolics, sandwiches, fruit and ice cream were served to the youthful guests, among whom were Amalia, Alberto and Theresa Becessa, Donnie and Ruth Lopez, Carlos and Ester Hauffen; Regina Rivera, Rosa Najjar, Anita Abela, Carmen Ibarra, Berta and Mario Urraite, David Lovo, Salvador Salzor, Ezekiel Gomez, Angel Uribe and Alfredo Portillo.

State Picnics Coming Soon

Saturday, Nov. 2, is the date set for the annual fall picnic rally of the Marylanders in the Southland and Sycamore Grove the place. The county registers will be open all day and both coffee and silk badges will be provided for all. Tourists and visitors from Maryland are especially invited to meet the old friends.

All who ever lived in Pennsylvania are invited to a great picnic all day Saturday, Nov. 2, in Sycamore Grove Park. There will be county registers, a brief program starting at 2:30 and a fine opportunity to meet friends from all parts of Southern California. Under the auspices of the Missouri State Society, all "Show Me" people will meet in Sycamore Park all day Saturday, Oct. 26. A number of noted Missouri orators will be on the program which is to follow the basket dinner hour. All Missourians are urged to take a day off and meet the old home state folks again.

Hartman's One-Cent Sale, November 7, 8 and 9.

Duck shooting in San Diego has been somewhat sluggish due to continued warm weather. With cooler weather, shooting will be improved. Morena Lake is the best at present with a goodly number of wild geese and sprigs. Lake Hodges and Lake Henshaw provide only fair shooting. Warm weather in the Imperial Valley district has caused the hunting to be poor, but it is believed the hot spell is breaking as new ducks are coming in—spring, teal and redheads.

Scottish Martial Music
Pibroch playing is the playing of a wild irregular form of martial music by Scottish highlanders on the bagpipes. Usually the air is profusely ornamented with variations.

Yom Kippur Is Fittingly Celebrated

Large Sum Collected to Aid in Building New Jewish Center Here

The beautiful Masonic Temple was filled to capacity. Young and old assembled to hear "Kol Nidre," a prayer whose tunes bring back to the memory of every Jew, years of oppression and torture of the race the world over.

Between prayers, Mr. Weitzman, an invited guest, addressed the assembly on the sacred meaning of Yom Kippur. In the course of his speech, Mr. Weitzman laid stress on the necessity of a Jewish Center for the "Kehlah" of Sierra Madre to enable them to assemble from time to time and expand their activities and also have a place for a school to educate the children in the spirit of Judaism. In conclusion Mr. Weitzman promised to furnish all the plans in architecture service for the community building tree of charge. The president, Mr. A. Platt, announced the following donations, A. Fratkan, El Monte, \$100; Louis Karpf, \$250; Wm. Rothman, \$100; J. S. Weber, \$100; Ben Goldberg, \$100; Ben Solnit, \$100; Mrs. H. Shapiro, \$100; A. Ashkenas, \$100; Mrs. J. S. Weber, \$50; Sidney Brandlen, \$50; J. Krakower, \$50; D. Desnick, \$50; Mrs. A. Smith, \$50; Mrs. B. Goldberg, \$25; Mrs. B. Solnit, \$25; Mrs. Dworsky, \$25; Mr. Isaacs, \$25; I. Silverman, \$25; Chas. Rubin, Pasadena, \$25; M. Zealand, \$25; Henry Schwartz, \$20; Mrs. Goldberg, \$10; Mrs. Resnick, \$10; I. Settel, \$10; Harry Sheldon, \$10; Geo. Smith, \$10; Sam Copperman, \$5. The total for the evening, \$1450.

The enthusiasm of Kol Nidre Eve repeated itself on Yom Kippur day. Before Yiskore the congregation was addressed by Dr. Bellow, who spoke on the misery of the 3,000,000 Jews in Russia

and the million in Poland, and the necessity and obligations of the Jews in the United States and Canada to demand from the League of Nations a place of rescue for our brothers and sisters the world over.

A resolution was unanimously adopted to petition the League of Nations to see that a place should be given to the Jews in Palestine. The assembly did not fail to do its share for the pogrom victims of Russia and Palestine.

After Neilah, the entire assembly greeted each other with a friendly, happy and prosperous new year.

The president and the community wished to express their thanks to the guests for their marvelous speeches. Also the entire Jewish community for their hearing response in behalf of a community building for Sierra Madre and for the upkeep of the Talmud Torah.—A. Platt, president.

Deer, gause, doves, jacksnipes, etc., are plentiful in the Big Pine area in Inyo County, with a few ducks in evidence, according to reports.

SPORT NOTES

Excellent hunting conditions now prevail in the Kern River District at Trout Creek, Poison, Horse, Paloma and Peppermint Meadows. Deer, bear, and mountain lion are plentiful. These districts are reached by pack train from Fairview-on-the-Kern, all being one day trips. Saddle and pack animals are available at \$2.50 per day per head. Excellent trout fishing is also being enjoyed at this time and good results obtained. The Kern River and all streams are now low and clear.

HALLOWEEN

The days of Jack-o-Lanterns and Goblins. And the goblins may get you when you are walking to a service station for a gallon in a red can.

Moral: Come in to our station and let us fill the tank with RICHFIELD GAS before you start.

Wistaria Service Station

ROY H. PICKETT, Proprietor.

Plan to attend the Armistice Dance!

Expert AUTO Repairing.

Confidence.....

That one word "confidence" has much to do with our business.

Why is it that we are called upon to attend to all towing, repairing and rebuilding of cars in this territory on which the National Automobile Club holds coverage policies?

Simply because the auto club has confidence in us. It knows our towing service, our motor repair department and our body rebuilding service is without equal. Also there is confidence that there will be no overcharge.

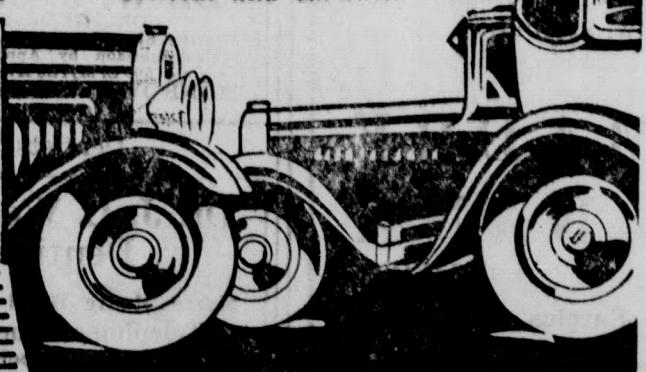

This service is not alone for auto club members. It is for everyone who drives an automobile.

"Service and Satisfaction"

Central and Baldwin

Serve and You Will Grow!

FROM time immemorial man has served—at one shrine or another—and through such service man has grown. You are no exception! In order to grow, spiritually, mentally, or financially, you must serve! And the most profitable service you can render yourself or anyone else awaits you right here in this town.

The knights of old fought their fierce battles to lay righteous conquests at their ladies' feet. Not so long ago small ships valiantly coursed the endless seas—serving, pushing ever farther the domain of their king and country. Today their dauntless descendants wing fleet paths across chartless depths of ocean air lanes.

Men achieving, growing, getting somewhere—men courageous, men fighting, working, laughing, playing—and through it all, one constant factor—Men SERVING!

Serve your own community by working in it, by working for it and with it. Every endeavor to improve this town in which you live must go for naught if you are not ready and willing to give it your support, to serve it with your time and enthusiasm.

Serve your town by buying at home so that the money you spend will stay at home where it can create more wealth and more local improvements!

When you spend at home you get your honest dollar's worth three times over! First in better merchandise, second in the wealth you add to your community, and third specific local improvements your stay-at-home money provides.

Make this town your shrine of service. It will grow and you will grow—spiritually, mentally and financially.

These, Your Townsmen, Firms and Institutions, Are Growing Because They are Serving:

-- School Notes --

Woodrow Wilson Jr. High

In an assembly conducted by the Guidance Council under the direction of Miss Mildred Scott, recently, Mr. George Merideth, assistant supt. of the Pasadena schools, praised the outstanding work in guidance done by the Woodrow Wilson Junior High School.

A tableau was presented by Elizabeth Morgridge, Gwendolyn Gaze and Persis Kreinberg, dressed in Grecian robes, one bearing a Grecian lamp, the symbol of the Guidance Council. Meanwhile, Treva Scott, president of the council, explained the symbolism involved in this lamp, the traditional lamp of learning of the ancient Greeks, and which signifies enlightenment.

Mr. Merideth commended Miss Scott, the school counselor, for her splendid contribution to guidance in Pasadena, and then presented the members of the Guidance Honor Roll with insignias.

The following pupils are members of the Guidance Honor Roll: Harold Keltz, Persis Kreinberg, Dorothea Cox, Robert Curtis, Wilbur Van Gundy, Ethel Johnson, Jennie Graham, Archie Williams, Bob Phillips, William Lent, Lorraine Petzel, Ernestine Manning, Larrees Berg, Norine Dudley, Ester Hauffen, Gladys Hobbs, Jas. Gabriel, Philip Senour, Frances Hora, Evelyn Calvert, August Bowersox, Corrine Graves, Mary Mapp, Blanche Bair, Beatrice Cook, Robert Oglesby, Moreland Kortkamp, Elizabeth Burman, Gwendolyn Gaze, Frances Smith, Margaret Frye, Jean Johnston, Myrtle B. Cartwright, Carrie Hora, Mary Ann Dally, Herbert Quick, Ruth Pittnerick, Evelyn Colomen, Martha Newton, Mildred Davis, Martha Cromley, Sadie Sellers, Ruth Lord, Elizabeth Morgridge, Adele Schmidt, Virginia Fennell, Marion Kravetz, Wilma Morrow, Elizabeth Spencer, Frances Baxter, Rose Brown, Doris Booker, Gertrude Bandy, Dorothy Graham, Cynthia Hull, Hazel Kilgore and Lois White.

Feel the spirit of what the game means, be square and deliberate, use strategy and have real enthusiasm, were some of the points brought out in the pep talk given by Mr. Cecil F. Martin of the Pasadena Kiwanis Club at the Woodrow Wilson Assembly, Friday, October 18. Cheer leaders, squad leaders' emblems, and the senior quartette were the objects of interest.

Oliver Johnson, commissioner of boys' athletics, presided, as the assembly was entirely devoted to physical education and its interests. Mr. Martin, who was introduced by Mr. Chase, presented the squad leaders with the emblems which are given thru the courtesy of the Kiwanis Club.

Those who tried out for cheer leaders were: Hugh Minton, Robert Oglesby and Forest Nelson, Harold Frost and Robert Walker, Yoshio Fugimoto and Paul Go-lightly, Ruben Weiss and Donald Barnfather, Guy Henry and Rudolph Lichnig, Edward Daily and Maurice Steves.

This was the initial appearance of the senior cross quartet, the members of which are Persis Kreinburg, Eva Calloway, Donald Barnfather and Ruben Weiss. They sang "Schoolhouse Blues," and "Sing Along."

Junior College

By JOSEPH WEISS

These games under the stars are the real thing. No more hot suns to fight, no more long shadows, no more straining to watch the ball. It's really fun now to watch a football game in the Rose Bowl.

The main thought in our Rose Bowl discussion is the fact that Pasadena Junior College, lower division, is to play Glendale high at night, tomorrow. All students of the junior college are admitted by their ticket books, and all others are welcome to the game—each. There are no reserved seats—first come, first seated.

The dope on the game: Pasadena will win by several points. Alhambra lost to San Diego 41 to 14, while Pasadena was defeated by the Santa Ana team, 32 to 6. The Midgets will provide the prelude to the feature act. Their game will begin at 6:30 and some real playing is in store for the early comers.

"X" CLUB

A rare and unusual privilege was accorded the students of the junior college Monday and Tuesday when the first phonograph invented by Thomas A. Edison, and one of the original electric lamps, also by Edison, were demonstrated by the "X" club of the junior college. The strides taken in lighting since the cave men were illustrated by posters. Monday afternoon a special speaker lectured on Edison and the broadcast from Dearborn was picked up.

WOMEN'S HALLOWE'EN PARTY

Wednesday evening in the girl's gym the Associated Women Students are to hold a Halloween party to the new girls of the school. Special skits, special refreshments, cider and doughnuts, and special speakers are on the program.

SCHOOL PLAY

Weird shadows, dim lights, chilling, gripping, forcing mystery—the keynote of a successful mystery play—are all in the "Seven Keys to Baldpate," a play that will be presented November 22 by the Bauble and Bells, dramatic organization, in the school auditorium.

DEBATES

What illuminating topics these junior college debaters pick to argue over! Look at this one, held Thursday, "Resolved, That Modern Woman is a Failure!" And Pasadena Junior College is to uphold the affirmative. The college that is noted for its beautiful and intelligent women. Another topic of debate that was controverted over last Thursday was "Resolved: That the United States Congress Pass a Uniform Motor Vehicle Act."

EXCURSION

The Engineering Club of the college, to which five or six Sierra Madreans belong, are to have their annual excursion the first Saturday in November. The trip will be made in school busses and will cover the Torrance manufacturing district, including the glass factory, Pacific Electric shops, and Columbia Steel Mill. The semester magazine of the club is expected to be off the press before Christmas. Joe Weiss was elected editor this week.

FOOTBALL AGAIN

And then there was that little matter of a scrimmage game between the Wilsonites and the lightweights of the junior college. Coach Sutherland's men played a good game, holding the lightweights to not more than 20 points, though they garnered no points of their own. Henry Uetzel, Alpert Beaudoin, and Stuart Dittmar, locals, each played their part of the game.

U.S.C. Holds Lead Over Stanford in Wins and Loses

When U.S.C. and Stanford face each other at Palo Alto tomorrow it will be the eleventh meeting for the two institutions in modern football. U.S.C. holds a margin over Stanford with six victories and one tie, against three wins for Stanford. The games listed by year, U.S.C. and Stanford: 1905, 0-17; 1918, 25-8; 1919, 13-0; 1920, 10-0; 1922, 6-0; 1923, 14-7; 1925, 9-13; 1926, 12-13; 1927, 13-13; 1928, 10-0.

Stanford has not won from Southern California on the Palo Alto gridiron since 1905 when the American football relations between the two universities opened. The 1922 and 1923 games, which were the next appearances of the Trojans in Palo Alto, were won by Southern California, and the 1927 game was a 13-13 tie.

The 10 to 0 victory of the Trojans last year was by far the greatest lead that either team has obtained over the other since Coach Howard Jones and Coach "Pop" Warner took charge of the Trojans and Cards.

Sugar Cane Data

The initials P. O. J. stand for Proefstation Oost Java, the earlier name of the planters' experiment station at Pasoeroean, Java. All sugar cane seedlings developed by this station are designated by those initials. The Department of Agriculture has obtained cuttings of practically all of these seedlings which from their parentage, disease resistance and general characteristics appear to have commercial possibilities for Louisiana.

"Movies" in Education

Experiments sponsored by the National Educational association and conducted by Doctor Wood of Columbia university and Doctor Freeman of the University of Chicago show that children make 33 per cent greater gains in science by learning these subjects partly through motion pictures.

CALENDAR

Dates of Coming Events

Friday, October 25, 7:30 p. m., Motion Picture, "The Yankee Clipper," Congregational Church Social Hall.

Saturday, Oct. 26, Halloween Masquerade Ball, by Junior Dept. of Woman's Club, at Club House.

Saturday, Nov. 2, Card Party at Woman's Club for benefit of War Veterans.

Tuesday, November 5, Card Party at St. Rita's.

Thursday, Nov. 21, St. Rita's Bazaar.

Saturday, Nov. 23, Church of Ascension Christmas sale.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE.

In the Superior Court of the State of California in and for the County of Los Angeles.

HOME OWNERS FINANCE CORPORATION, a corporation, Plaintiff.

vs. MABEL L. SEARY, et al, Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 30th day of September, 1929, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against Defendants, on the 27th day of September, 1929, for the sum of Five Hundred Ninety-one and 50/100 Dollars gold coin of the United States, plus interest and costs, which said judgment and decree was on the 28th day of September, 1929, entered and recorded in Judgment Book 719 at page 179 et seq. (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in the City of Sierra Madre, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

Lot seventeen (17), and eighteen (18), Granite Heights, Tract, as per map recorded in Book 7, Page 61 of Maps, in the office of the County Recorder of Los Angeles County, and known as 46-48 W. Alhambra Street, Sierra Madre, California. PUBLIC NOTICE IS HEREBY GIVEN that on Tuesday, the 29th day of October, 1929, at 12 o'clock noon of that day, in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment with interest and costs and expenses of sale, to the highest and best bidder for cash, gold coin of the United States.

Dated September 30, 1929. R. E. ALLEN, Commissioner appointed by said Superior Court.

GOLDMAN AND LIEBERMAN, 916-920 Garfield Bldg., Los Angeles, Calif., Attorneys for Plaintiff.

Last Wednesday of each month, Rubbish Collection West of Baldwin.
Friday of each week, Dance at St. Rita's Auditorium.

HARDTIMES HALLOWE'EN PARTY AT CHURCH—

Hardtimes and spooks and weird things will reign at the party to be given by the young people of the Congregational Church in the Old Congregational Church Building. The affair will be on the dark night of November 2d, Saturday, at the hour of 8 o'clock p. m.

This party is to be given by the "Evans," the losing side in the recent penny contest, which caused so much interest among the young people, and which proved such a success, financially.

Even if this is to be a "hardtimes affair," there will be plenty of food for all, if everyone coming will call Dorothy Lichnog, Red 143.

BUTCHER, BAKER, CANDLESTICK MAKER GO TO SEA—

The butcher, the baker and the candlestick maker, i. e., Buckley, Seaman, Senour, Jimmie Young of Monrovia, Jacklin of Altadena, Paul Fisher—six men in a 22-foot launch, went to sea. Breakers forty feet high (they looked a hundred) dashed over the prow. "Butch" in the prow, got soaking wet; it took all the color from his otherwise rosy cheeks. Paul turned white, too—in fact, all but two of 'em decided the fish could remain in the sea for all they cared. A fog is a good alibi for coming to shore, anyway. Sea-sick? Well, ask "Butch" and Paul.

CARD PARTY AT ST. RITA'S—

The ladies of St. Rita's Parish announce another of the popular card parties, to be held November 5. Bridge, and five hundred will be played and the usual assortment of prizes will be distributed following play. Refreshments will be served. Hostesses for the occasion are Mmes. Harry Boers, George Gerhart and Wm. Barry.

Mr. and Mrs. Ladd, students of the Moody Bible Institute of Chicago, will sing several duets over radio station WMBI, at 3 p. m., Tuesday, October 22. Mr. Ladd is the son of W. J. Ladd of 258 Mariposa street.

COL. AND MRS. HERSEY ATTEND DINNER—

Col. and Mrs. H. B. Hersey were dinner guests Friday night of Mr. and Mrs. Francis M. Fultz at their home in Highland Park. The guests were Mr. and Mrs. Francis Saunders, Mr. and Mrs. Clemens, Prof. Ida Carhart, and the host and hostess, Mr. and Mrs. Fultz.

Mr. Saunders is a Southern California writer of note and is listed in Who's Who. Among his books are "Elfin Forest," "Lilies and Orchids," "Southern Sierras," "Under Southern Skies," "Wild Flowers and Trees of Southern California."

Mr. Clemens is head of the horticultural department of the Chamber of Commerce of Los Angeles. Prof. Carhart is associated with U.C.L.A.

Col. Hersey needs no qualification of his achievements in his own home town, Sierra Madre, for his success is well known.

MRS. GORDON BROOKS ENTERTAINS—

Mrs. Gordon Brooks entertained nine guests at a 10 o'clock luncheon Tuesday at her attractive home on North Lima. Tables were set on the spacious veranda overlooking the garden, with mountain vistas. Table decorations, favors and table cloths all carried out the Halloween motif in orange and black, the tables being centered with a large papier mache jack-o-lantern filled with varied fruits. The guests were a group of ladies who meet occasionally for luncheon and sew afterwards.

VISIT STUDIOS IN WESTWOOD—

Mr. and Mrs. Woodson Jones, Mr. and Mrs. Chas. E. Collins, Mr. and Mrs. Thos. M. Schwartz, with Mr. and Mrs. Rudolph Hartman attended a dinner Monday night at the Fox Moving Picture studios. The guests were shown how movies were taken and the new devices of reproducing sound for the "talkies."

GIRL RESERVES WILL MEET—

The Girl Reserves will meet at the Congregational Church Friday, Oct. 25, at 6:30. This will be a very important meeting. At 7:30 the girls will go in a group to see the picture to be given in the Social Hall. A silver offering will be taken to defray the expense of the entertainment.

Invitations have been issued for a benefit bridge for the Friendship Club, to be held at the home of Mrs. Carl Greese, Montecito Avenue, on Friday evening, October 25th. Assisting Mrs. Greese as hostesses will be Mmes. Warren Preston, Arthur Evans, Wm. Adwell and Thos. Schwartz.

Mrs. H. A. Hinojos was called to Chihuahua City, Mexico, on account of the serious illness of her mother. She left Wednesday via the Southern Pacific.

Mrs. Maude I. Hogle of Carmel arrived in Sierra Madre Wednesday and will spend the winter at one of the Burns cottages on East Laurel.

John H. Edgecombe of Boulder Road, Pasadena, was a Sierra Madre visitor Sunday.

BETHANY MISSIONARY SOCIETY PICNICS—

Tuesday, a group of thirty ladies from the Bethany Church Missionary Society were entertained at a delightful picnic luncheon at the home of Mrs. Griers, Glendora. Mrs. Calhoun and Mrs. Richard Jensen had charge of arrangements.

REPRESENTED O.E.S. AT CONVENTION—

Mrs. Blanche Buie represented the Sierra Madre chapter, Order of the Eastern Star, at the state convention at San Diego last week.

Mr. and Mrs. Gracia are the parents of a 10½ pound boy, born at the Sierra Madre Hospital.

Mrs. Marvin Coats had as her luncheon guests Friday, Mrs. Gordon Brooks and Mrs. James Scoville.

Mrs. Gordon Brooks entertained as house guest Thursday, Mrs. Herbert Pay of Oak Knoll, San Dimas.

W. J. Adwell has been suffering since Friday with an attack of cold. Many similar cases are reported in the community.

J. N. Hawks, W. S. Andrews and Raymond Hawks left Tuesday for a motor trip to Death Valley. They will return Friday.

Mr. and Mrs. W. J. Adwell and Mr. and Mrs. A. T. Evans motored to Hollywood Monday night, attending the ice hockey game.

Mrs. Will Middough and Marilyn returned Saturday from Long Beach after spending a few days with the former's mother, and visiting friends.

Mr. and Mrs. Fred Osti of 271 Grove, had a son born to them October 16 at the Sierra Madre Hospital. The child has been named Fred, Jr.

A. E. Pettit is back at the Al Wheeling hardware store after a four-months' trip to Iowa and Minnesota. He states he surely is glad to be "back home" again.

HE LIKES THIS CITY, OR WANTED A RIDE,— "THE CAT CAME BACK"

There is evidently one "satisfied user" of W. J. Stewart's taxi service, which has just recently been started here, and that is no less a personage than "Sandy," the cat. Mr. Stewart took him to San Bernardino for a lady some three and a half months ago. But either "Sandy" wanted another ride or else he liked Sierra Madre better, for it all happened as in the old story—"the cat came back" the other day, covering a distance of nearly fifty miles.

SOCIAL HOUR FOR YOUNG PEOPLE—

Next Sunday Evening, October 27th, at 5 p. m. the young people of the Congregational Church will hold a Social Hour in the Ladies Parlor of the church. All members, former members and interested young people are invited to come and join the group and get acquainted or renew old friendships. Refreshments will be served and the orchestra will play.

After the social hour, the young people will adjourn to the chapel, where the usual meeting and discussion will be had. The topic this Sunday will be centered around the famous painting, "The Last Supper," by Da Vinci.

Sometime between 2:20 and 3 a. m. on Monday, burglars entered a house at the eastern end of Highland Avenue, occupied by two milkers for George A. Jones of the Sierra Madre Dairy. The burglars obtained loot amounting to a considerable sum. Stolen articles consisted of three suits of clothes, shirts, underwear, socks, and money aggregating about \$21.50.

The thieves have not yet been apprehended, but good fingerprints were obtained and a search is being prosecuted.

...Here are the facts about that

RED CAR Monthly Pass

everyone is
talking about

What it is!

The new monthly pass is a convenient travel arrangement introduced by Pacific Electric for its patrons who ride the RED CARS daily or frequently. Now instead of offering money, a ticket or a commutation book to the conductor, you present your pass. That is all.

When you buy it!

Pass dates from the first to the last of the month for which issued. Buy it the first of each month. Use it as many times as you like... both weekdays and Sundays... during the month. As an added accommodation, Passes are sold (by agents only) for one-half the monthly rate, plus 50 cents, if purchased on or after the 16th of the month.

Cost of Pass is

\$10.50
between
Sierra Madre
and
Los Angeles

All passes are good on local lines in Los Angeles within No. 1 (inner) local fare zone.

Where to buy it!

Conductors and ticket agents are authorized to sell you your pass.

Who can use it!

Pass is transferable. You, your family or friends can use it as often as desired. The only requirement is that the pass remain in possession of the same passenger during entire trip.

Rest as you ride!

Profit by the convenience of this new Monthly Pass. Save money by riding the Big Red Cars... still the most economical... most practical... most restful form of transportation in Southern California.

MRS. J. R. EVANS GIVES SHOWER AND TEA—

Mrs. Boyd Keith was honored Saturday afternoon at a delightfully appointed tea and shower at the home of Mrs. J. R. Evans of West Grand View Avenue.

Mrs. Evans used a variety of autumn flowers for decoration throughout her home. Seating the guests at one large table, she carried out her appointments in pink and white.

The centerpiece, a beautiful pink cradle was banked with smilax and pink rosebuds, while tall pink tapers and clever place cards added to the charming ensemble.

Needlework featured the afternoon's entertainment and Mrs. Keith was the recipient of many beautiful gifts.

Bidden were: Mmes. Waverly Pratt, Clarence Clark Wilson, William Vickers, Percy Adams, Howard, William Roether of Pasadena, Lloyd Tood of Inglewood, Benjamin Needham of Glendora, and the Misses Lorraine O'Banion and Doris Bayard.

'Norm' Morrison Makes Deal for New Miller Tires

Norm's Garage & Service Station, corner of Montecito and North Baldwin, has been appointed franchise dealer for the famous Miller Tires in Sierra Madre and vicinity.

In making this important announcement elsewhere in this issue, Norman Morrison states that he is now ready to supply anyone in need of tires, a tire that is positively guaranteed to wear longer than any other tire under the same conditions. He says he gave the matter of tire representation long and serious consideration before deciding upon the Miller, but that he sincerely believes that now he can offer his customers the best tire value in the market today.

Miller has long stood for quality in tires and that is the reason "Norm" has taken over the agency for this community. With

the Miller Deluxe, the Miller Geared-to-the-Road and the Medallist, "Norm" equips your car at the price you wish to pay. The Miller eGared to the Road tire is guaranteed to outwear any other tire of equal price when run under same conditions. In a three million mile road test this tire outlasted the best standard priced tires of 13 other well known makes.

11:00 a. m.—Sunday service. Subject for October 27, "Probation After Death."

8 p. m.—Wednesday, Testimony meeting.
Reading room open Monday, Wednesday, Friday, from 2 to 4.

Air Tour to Embrace All Southland

Sixty Planes to Take Off on November 4 from Big Airport

One of the largest air tours in the history of aviation, consisting of sixty planes, will take off from the Metropolitan Airport at Van Nuys on Nov. 4, visiting 13 cities in a complete good-will tour of California, it is announced by W. E. Thomas, chairman of the tour. The tour, which was organized for the purpose of stimulating interest in the Western Aircraft Show to be held in Los Angeles from Nov. 9 to 17, besides passing over approximately every city in Southern California, will make landings at Santa Maria, Salinas, San Francisco, Oakland, Sacramento, Fresno, Stockton, Visalia, Bakersfield, San Bernardino and San Diego.

Over sixty-five planes are to be exhibited at the Aircraft Show and sixty-five per cent of the space to be used for this purpose has already been contracted for by various exhibitors, Fred A. Worthey, president of the show, asserts.

Women Voters Meet at Dinner Tuesday Night

In order to initiate a series of study circles on paramount questions in the world of today, the Los Angeles League of Women Voters, in conjunction with the California Association of Adult Education, is bringing together a group of representative women at a dinner meeting Tuesday evening, October 29, at 6 o'clock, in Women's University Club, 943 S. Hoover street. An open forum discussion will be led by Mr. Lyman Bryson, director of the Adult Education Association, from 7 to 9 o'clock.

Mr. Bryson was with the International Red Cross during the World War, was curator of the San Diego Museum, is author of articles appearing in the Atlantic Monthly, Harper's and Delinquent, and is considered one of the best leaders in the University of California Extension. He is now conducting stimulating study circles at San Diego Forum, in Long Beach and San Pedro. Each of these is a definite part of the state-wide movement in adult education.

NOTICE OF FILING ASSESSMENT FOR THE IMPROVEMENT OF MONTECITO AVENUE AND OTHER STREETS AS CONTEMPLATED BY RESOLUTION OF INTENTION NO. 421 AND OF THE TIME AND PLACE OF HEARING AS TO SAID WORK AND ASSESSMENT.

Pursuant to statute, notice is hereby given that the Superintendent of Streets of the City of Sierra Madre, having made an assessment to cover the costs and expenses of the improvement of portions of Montecito Avenue and other streets in said City, as contemplated by Resolution of Intention No. 421, adopted by the City Council of said City on the 23rd day of April, 1929, filed the same in my office on the 24th day of October, 1929.

I hereby fix Wednesday, the 13th day of November, 1929, at the hour of eight o'clock, P. M., and the Council Chamber of the City Council in the City of Sierra Madre, as the place, when and where all persons interested in the work done or in the said assessment will be heard by the said City Council. Property owners, the contractor or his assigns, and all other persons interested in said work or said assessment, feeling aggrieved by any act or determination of the Superintendent of Streets or the City Engineer in relation thereto, or who claim that the work has not been performed according to the contract in a good and substantial manner, or who claim that any portion of the work was for any reason omitted or illegally included in the contract for the same, or having or making any objection to the correctness of the assessment, or diagram, or other act, determination or proceeding of the Superintendent of Streets or City Engineer, shall, prior to the day set for the hearing on the assessment, appeal to the said City Council by briefly stating in writing the grounds of appeal. For a description of said work reference is hereby made to the above mentioned Resolution of Intention.

Dated this 24th day of October, 1929.

A SILVER LINING

In all this criticism of the school facilities of our little city, we must not forget to look on the bright side of the question and see what we have actually accomplished.

In spite of confessedly poor equipment and old buildings, our Sierra Madre children are making splendid records. What does it signify in other schools what our mechanical equipment is when we turn out the pupils that we do? Our Sierra Madre children are far above the average in their school work in Pasadena, some of them making very high records, all of them doing well.

If these results can be obtained with the present facilities, what may be expected when better opportunities are given?

The high attainments of our pupils the writer attributes to two primary causes. First, the high class of homes found here, and, second, the fine teaching staff. We have never known a community with so many well-ordered, home-like homes, or so many parents of high character and intelligence. Children from such environment must of necessity do good work.

And since the writer is scarcely acquainted with the teaching staff, we can say without fear of criticism that the product proves the workman.

We read that John Hopkins on one end of a log, and a student on the other, made a university. Surely the proof is before us that Sierra Madre teachers, with doubtful equipment, and Sierra Madre children to work on, can accomplish wonders.

Let's all work together and give our school everything last thing it needs to do its best.

—Reader.

'Broadway Melody' 4 Comes to Lyric At Monrovia

"Broadway Melody" to be shown at the Monrovia Lyric theatre is the screen's first big musical comedy, with special song hits specially composed for it just as in a stage show. "The Wedding of the Painted Doll" is one of the most popular of recent song hits. Anita Page, Bessie Love, Charles King, and others are in the splendid cast.

Colleen Moore in "Smiling Irish Eyes" is another of the Lyric's

screen presentations during the coming week. The story of "Smiling Irish Eyes" is essentially a romance and includes several episodes in which Miss Moore sings melodies written especially for the picture. John McCormick is producing this First National-Vitaphone feature, with Wm. A. Seiter directing.

Senator Smoot says his tariff bill will contribute to the prosperity of the American people, but he doesn't reveal their names. —Dallas News.

Fire Flames

By One of the Boys

It would seem that the October of 1929 has caused a recurrence of forest fires. The recent fire in the San Gabriel mountains was not without the presence of a few of our brave lads and from an authentic source we have learned that they "showed their wares."

With a hard wind and large flames chasing them, a crew leader and a number of fire fighters were in a frantic condition on the edge of a ridge. These fire-fighters were ready to jump on the ridge, risking certain injury, when Chief Richards, Frank Lovell and Bob Babbitt realized their hazardous situation and yelled for them to hold their ground. The chief then threw them a rope, and after attaching it to a large tree they were all able to snare down the rope to safety. However there were a few injured fighters and our 1st-aid boys were in demand.

Although the sounding of the siren on Tuesday was a false alarm as far as our territory was concerned, there really was a large fire in the mountains in the Fish Canyon district. None of the local department were called to this at this writing.

While eating lunch (a daily habit) a group of our local club ladies were heard near-by discussing club affairs and one was heard to say that she had been a member of the club for several years and had not yet gotten very well acquainted with the members of the organization. She said she was introduced to one leading lady twelve times and although she knows the lady, the lady never seems to remember her. What's matter with our town?

Speaking of clubs brings to mind a good one on the chief. A popular lady lecturer was talking on "Man." 'Twas a woman's club, and the audience was intensely interested. After condemning and praising "men" for at least two hours, she finally came to a conclusion by saying that men are merely boys and require mothering. "Now I want you ladies to go home and mother your husbands. If there are any of you present that will do this, will you please raise your hand." Mrs. Richards immediately raised her right arm very high. "Now, are you sure you will mother this boy of yours," asked the speaker of Mrs. Richards. "Mother him! Lordy, no! I tho't you said 'smother' him."

We have heard some wonderful hunting stories, but seldom ever one like this ever "gets out." For several mornings Bob Babbitt and Bob Newberry had been making coffee at the fire headquarters to encourage them on their deer hunting expeditions. And for several mornings, Chief Bill was wondering who was leaving coffee grounds in the coffee pot. It is needless to say how he found out, but he did, and the usual penalty was imposed. After finding this out, he also learned from Bob Newberry that they actually did get near a young buck deer one morning and he (the deer) was standing stock still, only a few yards away. He said that Babbitt shot four times and missed him every time and the deer walked calmly away. Newberry was so dazed at the exhibition of marksmanship that he forgot to shoot, although he had a loaded gun.

This is regular meeting night. See the brave boys don their waterproof coats. See them board the truck. See them hook on to some fire plug in an unexpected territory. Hear Louie and George argue as to how it is done.

Turn the truck around, the Fire's Out!

Browning Circle To Meet Next Sunday at 3:30

The Browning Reading Circle of Sierra Madre will meet on Sunday afternoon, November 4, at 3:30 o'clock, at the home of Miss Ella Shepard Bush, 223 W. Laurel Avenue.

Mrs. Charles Lincoln Denham, former president of the Friday Morning Club of Los Angeles and present chairman of the Art Section, will give an address on Modern Poetry, following which Rev. Arthur O. Pritchard, Miss Mary I. Potter and Mrs. Tacy G. Dunning will read short poems of Browning that in subject and technique are illustrations of modern poetry.

Miss Bush as hostess cordially invites all interested to come to the meeting.

CHICKEN-FEED

"I advertised that the poor would be welcome in this church," said the minister, "and after inspecting the collection, I see that they have come."—Boston Transcript.

Lead's Trojans

Captain Vince Barragar of the University of Southern California has been playing the kind of game this year that seems destined to win him All-American honors. He holds down the tough running guard job where he can lead the Trojan attack on offense and shifts to center on defense where he directs his team's defensive play and does his part by making about half of the tackles.

Monrovia Orchestra To Open Season November 15th

Pre-season sale of season tickets for the Community Symphony Orchestra, which is to give a series of four concerts in the auditorium of the high school in Monrovia, is now under way. Those who sign up as sponsors of the orchestra prior to the opening of the concert season, are entitled to four reserved seats for each of the four concerts for a fee of \$2.50. This gives each sponsor sixteen tickets for this price. Single season tickets are procurable for \$1.00. All season tickets entitle the holder to buy a reserved seat at the mammoth Festival of Music in May, at half price.

Mail orders are now being executed at the office of the orchestra in the music department of the high school at Monrovia. This orchestra of seventy-five members under the direction of Harold H. Scott, is composed of talented musicians from over a dozen different towns, including Sierra Madre.

The first concert is November 15. The soloist, Sylvain Noack, concert-master of the Hollywood Bowl Orchestra. Mr. Noack will play with the orchestra, the Mendelssohn E minor concerto. The program: "Country Gardens, by Grainger; "Invitation to the Dance," Weber; "Suite from Carmen," Bizet; "Concerto for Violin," Mendelssohn; "Die Meistersinger" Overture, Wagner.

Tours to Palms Trees in Desert Proving Popular

During the fall months trips into the desert regions are very popular with Southern California motorists and one of the most interesting is to Twenty-nine Palms. These palms lie 155 miles distant from Los Angeles and are reached via either Riverside, Jack Rabbit Trail and Beaumont or via Redlands, Reservoir Canyon, Banning, etc. Pavement is traversed to a point 2 of a mile beyond Whitewater. Turning to the left at this point, a good desert road leads to the scenic Morongo Valley. The same type of road then continues thru a veritable forest of Joshua trees, past Coyote Wells where water is obtainable, to Twenty-nine Palms.

Located in a typical desert oasis, these palms are intermingled with a number of beautiful cottonwood trees, offering many delightful picnic spots. They face the Bullion Mountains, whose contours and coloring greatly resemble the Panamint of the Death Valley region. Within a radius of a few hours' drive from this spot are innumerable points of interest—Split Rock, a painted canyon which compares favorably with other "painted canyons" of the state, Barker's dam, Virginia Dale and Old and New Dale Mines.

PACIFIST HOUSEHOLD
Little Louise was lost on the street and was brought into the police station. The officers tried in every way to learn her name. Finally one of the officers said: "What names does your mother call your father?" "Why," said Louise, very innocently, "she don't call him any name; she likes him."—The New Outlook.

Many Students Are Honored at Wilson Jr. High

Ninety-eight students of the Woodrow Wilson Junior High were presented merit certificates in the assembly of the school recently, by Mr. Merideth. The certificates signify that, through good citizenship, cooperation and outside work, students who received them have earned 120 or more merits. Mr. Merideth commended Mrs. Magnuson on splendid contribution to the merit system.

The students who received the certificates are: Blanche Blair, Doris Elaine Butts, Shirley Chamberlain, Shizuko Fujimoto, Morton Hilbert, Eileen Lasiter, Mary Mapp, George Pitternick, Cecile Richardson, Ruth Schuster, Jas. Soetens, Marjorie Stinman, Kingo Tasasugi, Grace Allen, Marjorie Ashmore, Anita Cartwright, Evelyn Elkin, Reba Gay, Ester Hauffen, Albert Karr, Peter King, Moreland Kortkamp, June Lacey, Howard Munger, Lesley Perry, Mary Louise Ramsay, Elva Reins, Eugene Seyler, Dorothy Walsworth, Elizabeth Burman, Eleanor Hughes, Lois White, Lillian Burman, Martha Cromley, Yoshio Fujimoto, Twila Hulka.

IF AND WHEN

An author says some people keep on predicting the end of the world in spite of the fact that they are always wrong. But he must admit that they get a little nearer every time. — Passing Show.

Famous Inventor Has Radio Tested In This State

"One of the important reasons why the new Edison Radio has shown such outstanding results in selectivity, sensitivity and tone quality, is because it is specially perfected for west coast reception," according to George M. McRoberts and Don Hosford of the Radio Shop, Edison dealers in Sierra Madre and vicinity.

Theodore Edison, chief research engineer of Thomas A. Edison, Inc., established a laboratory and a staff of engineers at Venice, Calif. These engineers have had every conceivable make of radio set in their laboratory with which they made exhaustive and comparative tests. Thus, the Edison Radio was developed to specifically meet the radio conditions of Southern California, and many say it now marks a new era in selectivity, sensitivity and tone quality," concluded Mr. McRoberts.

Too Much Noise and Business, etc., in Huntington Beach to suit this widow.

AUCTION!

Two Business Lots in Arcadia,
Near New Bank of Italy.

TO BE SOLD AT AUCTION

Saturday, November 2

at 2:00 P. M.

If you want a bargain in business lots with a real and quick future, investigate these two Arcadia Business Lots, located on Baldwin Avenue, one block south of the new Bank of Italy, next to the corner of Naomi Street, near Duarte Road.

They are adjoining lots, about 60 feet each, or approximately 120 feet frontage on Baldwin Avenue, by about 190 feet deep.

Service station on corner next to them; Safeway Store directly across street from them. Business is THERE—not COMING! Owner must sell. Investigate these lots TODAY!

All bids will be welcome Saturday afternoon, November 2, at 2 p. m.

See Auctioneer's Signs on Property

The names of those whose gifts have not yet been recorded will appear later, but if any name has been overlooked the committee will be glad to be notified of the error.

The success of this drive has not only brought Sierra Madre up to date in its budget for the San Gabriel council, but has established Scouting upon a firm foundation in the community and furnished the necessary encouragement for the two strong troops now so well under way.

Scout Leader Arthur Evans and a group of boys from Troop 2 attended Camp Huntington, the Council Week-end Camp, on Friday night. This is the first of six camps scheduled for Sierra Madre Scouts this winter.

Music School Opens Branch Studio Here; Mrs. Croan, Director

The Pasadena Conservatory of Music and Fine Arts, affiliated with the Creative Music School, Inc., Ltd., wish to announce the opening of a branch studio in Sierra Madre at 169 San Gabriel Court. Mrs. Croan, who has come to make her home in Sierra Madre, will have charge of the piano department. She is a teacher of wide experience and comes highly recommended from the Arthur Jordon Conservatory at Indianapolis, one of the largest and best schools of the Middle West, where she was a member of the piano department.

Besides being an authorized progressive series teacher, Mrs. Croan is prepared to give the Tone Pattern Course by David Patterson, a creative approach to music whereby young students improvise, write and play in any key—in fact, they make their own compositions.

Pupils may enroll at any time. Call Blue 188, of Terrace 2885. —(Adv.)

Installation Of Officers Impressive

Roy Pickett and Mrs. Buie Now Head Legion and Auxiliary

Elaborate ceremonies marked the joint installation Thursday night of the new officers of Sierra Madre Post No. 297, American Legion and the Auxiliary, at the Masonic Hall. A number of out-of-town guests and officials were present for the affair, which was open to the public.

Installing officer for the Legion was Ralph Stewart, of this city, who is district commander of the Legion. Miss Vera Arnold, junior past president of South Pasadena, installed the Auxiliary officers.

H. Clay Reavis and Mrs. Lillian Wheeler, retiring post commander and auxiliary president, respectively, were presented with handsome jeweled emblems. They expressed warm appreciation for the cooperation and splendid spirit shown during their tenure of office just closing.

Beautiful bouquets were presented by the Auxiliary members to Mrs. Blanche Buie, Mrs. Louise Roe and Mrs. Lillian Wheeler in appreciation of the excellent service rendered as officers during the past year.

The newly installed officers for the Legion are: Roy Pickett, post commander; Vincent Fleming, 1st vice commander; Ben Stinman, 2d vice commander; Rev. Edwin Roman, chaplain; Tom Neale, finance officer; Colin Hill, sergeant at arms.

New officers for the Ladies Auxiliary: Blanche Buie, president; Louise Roe, first vice president; Ellen Evans, second vice president; Lella Embree, recording secretary; Elizabeth Steinberger, corresponding secretary; Arcelia Stinman, historian; Helen Fleming, sergeant at arms; executive committee, Ora Olsen, Lucille Pickett, Ella Reavis.

IT ALL DEPENDS

Secretary: "A man has called for an interview. He wishes you to tell him the secret of your success in life."

Financier: "Is he a journalist or—a detective?"—Tit-Bits.

Poland spent over 85 million zloti on its exposition. That's zloti money.—Windsor Star.

Concert Is Delightful; Few Attend

Benefit by Leslie Gaze and Associated Artists Pleases

Before a small but appreciative audience, Leslie Gaze and artist pupils, accompanied by Mrs. Leslie Gaze at the piano, and assisted by Miss Orline Burrow, with Oscar Rasbach, accompanist, gave a program with finished ability—a musical treat seldom experienced in such a small city.

The affair was a benefit for the Plaza Community Center Children's Home, located in Sierra Madre, and the ability, reputation and preparation of such an extensive program, as well as the worthiness of the cause justified a much larger response and cooperation from local music lovers.

Several other affairs on the same night was the only excuse for the lack of patronage.

Leslie Gaze not only sang with pleasing perfection of voice, but his personality and acting ability gained in light opera added greatly to his performance. "Trotting Here and There," a duet, sung with Mrs. Myrtle Clarke, and "On the Road to Mandalay" were especially enjoyed by the audience. "Danny Dever," sung by Dr. Frank Hoose brought out the deep quality in his voice, and all his songs were well received.

Mrs. Myrtle Clark in her clear soprano sang "The Nightingale has a Lyre of Gold," effectively.

Betty Nichols with her rich contralto voice, indicated great promise and her closing number was especially well received.

Miss Orline Burrow, with marked technique and ability in her violin numbers, delighted her audience. Such charm of personality has endeared her to Sierra Madre audiences.

Plans Being Prepared for Theatre Here

Responsible Parties Have Had the Matter Under Consideration

The following story appearing in the Journal of Commerce, Los Angeles, is an apparent confirmation of rumors that have been going about during the past two or three weeks. The News has been cognizant of the tentative plans of the promoters of the project, but as no authoritative statement could be secured, no mention has been made heretofore. The story as it appears in the Journal of Commerce is reproduced without further comment.

"Engineer Harry Hartley, 579 Subway Terminal Building, is preparing preliminary sketches for a Class A theatre and drive-in market building to be located in Sierra Madre. The theatre will have a seating capacity of 600 and will be 60x126 feet in area. The market will consist of two wings, to be 80x130 feet and 30x46 feet in area. The project is estimated to cost \$100,000.

"Plans will call for reinforced concrete construction, Spanish architecture, tile roof, tile and cement floors, lobby, foyer, one-story and part two-story in height, wrought iron work, cast stone trim, art glass, check room, lounge rooms, patio and 50-foot tower across patio, stage, sound equipment, etc."

THAT STOPPED HIM

"Did you tell her when you proposed that you were unworthy of her? That always makes a good impression."

"I was going to—but she told me first."—Daily Chronicle.

Some of the ship-building people seem to think that Mr. Shearer was properly named.—Detroit Free Press.

owing to the lack of plant facilities in former years, and an effort is being made to do full justice to the occasion, those in charge say.

Twycross Feels Thrills of Near Steamer Wreck

S. R. G. Twycross had the experience of a near-shipwreck on Humbolt Bay during his recent trip north. The steamer on which he was riding (fortunately Mrs. Twycross was not with him) suddenly struck, its prow rose up in the air, and then the boat lay over on its side. Passengers rushed from their cabins, grabbed life preservers, and clambered out on deck.

The engines were reversed, however, and the steamer righted itself, with no harm done. The captain explained that the boat probably had struck a huge sunken log in the dense fog. Mr. Twycross says he had unpleasant anticipations of a wetting in the cold water of the bay and was debating whether or not he should discard his warm overcoat before taking the plunge.

Barber Believes Editor Deserve Flowers Before...

G. I. Poulter, proprietor of the Sanitary Barber Shop on West Central, believes in keeping his back yard beautiful just as well as maintaining a neat "front office." His pet hobby "between shaves" is an attractive little flower garden in the rear of his shop.

The Sierra Madre News has due reason to appreciate this garden, for Mr. Poulter upon several occasions has added to the appearance of our office by bringing over gorgeous bouquets of his choice marigolds which have been exhibited in the office window.
